1. Re Item 4, File 97-87-29: Amend Sections 16.521, 16.530 and 16.531 which would shift filing responsibility for certain periodic filers from the individual member or employee to the organization or business itself as proposed by Supervisor Silver (see City Attorney memorandum dated January 8, 1988 for exact language). Amendment adopted; consideration continued to January 25, 1988 (to allow City Attorney time to rewrite the legislation in such a way it does not change the intent but simplifies and clean up any vagueness, ambiguity and duplication).
2. Re Item 19, File 37-87-12.4: Motion disapproving the decision of the City Planning Commission by its Motion No. 11197, dated November 12, 1987, and approving application No. 86.555C, for conditional use authorization of business or professional service use for property at 2727 Fourteenth Avenue with additional conditions. Amended; adopted as amended.

Amend page one, line 5 by adding "with additional conditions" after "Avenue";

Amend page two, line 17 by adding the following:
"; and be it FURTHER MOVED, That the Board of Supervisors further approves this application subject to the following additional conditions:

1. The hours during which the offices is open to the public shall be limited to 8:00 A.M. to 8:00 P.M.
 2. All signs shall be facing West Portal Avenue. Signs shall be prohibited along the wall parallel to 14th Avenue.
 3. The applicant shall be responsible for cleaning the sidewalk along the subject property block frontage each day in accordance with Article 1, Section 34 of the San Francisco Police Code.
 4. Noise, odors and garbage shall be contained within the premises so as not be a nuisance to nearby residents and neighbors.
 5. The applicant shall transmit a copy of these conditions to the County Recorder to be recorded as a part of the property record."
3. Governmental Operations Clerk note: Notify interested parties street closing approved. File 42-88-2.
 4. Clerk to transmit interim zoning controls to City Planning. File 111-88-1.

Requests Granted

By Supervisor Molinari, that letter be sent to Director of Planning, with copy to the City Attorney, inquiring whether commercial signs in residential areas are legal within the zoning laws, such as, flashing lights advertising palm and/or tarot card readers.

By Supervisor Silver, that letter be sent to Public Utilities Commission bringing to their attention report entitled "Joint Powers Board, Peninsula Commute Service Interim Upgrade Study, Bayshore Corridor Transit Service" relating to rail line proposal for local service from San Francisco Airport through Bayview-Hunters Point to Downtown San Francisco and requesting they consider this study with their pending investigations of the Third Street corridor light rail and San Francisco to Airport light rail projects and to postpone any hearings until the Bayshore Corridor Transit Service report has been reviewed.

By Supervisor Gonzalez, that letter of inquiry be sent to Presiding Judge, Municipal Court, to determine what actions have been taken relative to Resolution Number 874-87 passed by the Board of Supervisors in September 1987 urging the Municipal Court to increase fines to \$40 for illegally parking cars on sidewalks (driveways exempted).

By Supervisor Gonzalez, that letter of inquiry be sent to Chief of Police concerning parking of cars illegally on sidewalks to ascertain what orders have been issued to enforce the current fine and whether he has received information to increase the fine.

By Supervisor Gonzalez, that letter be sent to Chief Administrative Officer requesting he obtain and review the abandoned car operations provided by the City of Long Beach, California including enabling legislation, organization of service delivery and comparative costs and to comment on his findings and submit recommendations for possible action including but not limited to establishing a municipally operated abandoned vehicle removal and disposal service, with a copy to the Budget Analyst for review.

By Supervisor Gonzalez, that letter of inquiry be sent to Director of Health concerning community mental health services to determine the level of services provided to the Hispanic population including but not limited to staffing, management resources, funding, inequities in delivery of services in relation to other significant segments of the City's population and that copy of response be submitted to the Budget Analyst for review.

By Supervisor Gonzalez, that letter of inquiry be sent to General Manager, Municipal Railway, and Bay Area Rapid Transit District concerning the escalator and handicapped elevator at the United Nations Plaza, Civic Center Station, to determine when they will be operational.

By Supervisor Hongisto, that letters be sent to Chief Administrative Officer and Controller requesting list of contracts and leases the City lets out that are either over \$1 million or are in excess of ten years in duration.

By Supervisor Hongisto, that letter of inquiry be sent to Board of Permit Appeals concerning application number 8704654 (566 Kansas Street) to determine what basis was the appeal granted.

By Supervisor Kennedy, that letter be sent to Chief Administrative Officer inquiring whether there are plans to install recycling collection containers in the basement floor adjacent to the newspaper recycling bins to encourage City Hall personnel to recycle cans, bottles, plastic containers and cardboard.

By Supervisor Kennedy, that letters be sent to Police Commission and Chief of Police alerting them to the concerns of various citizens that the police did not provide the service expected of protectors of the public peace on two separate incidences and would appreciate receiving report on what is being done to assure citizens of San Francisco that when they call the police they will get the service they deserve.

By Supervisor Walker, that City Attorney prepare legislation to implement the following budget policy statements by January 29, 1988: revenue enhancements, business license, personal services contracts, vacant positions, consolidation of functions, incentives to manage, grants and leases and agreements.

By Supervisor Maher, that City Attorney review, prepare and approve as to form proposed ordinance which would resolve disputes between private property owners relating to restoration of sunlight or views lost due to tree growth.

By Supervisor Kennedy, that letter be sent to General Manager, Municipal Railway bringing to his attention a concerned citizen's observation that some Municipal Railway vehicles lack proper sign boards and when inquiry made the driver was discourteous.

By Supervisor Walker, that letter of inquiry be sent to General Manager, Municipal Railway, to determine feasibility of overseeing the operation of a commute-period shuttle in the Mira Loma/Mt. Davidson area serving the Glen Park BART Station and requesting comment by February 1, 1988.

Requests Granted

By Supervisor Nelder, that Budget Analyst evaluate current and potential income for charging docking fees for ships coming into our Port, giving consideration to such fees charged in comparable Ports (Oakland) and to structuring such fees in escalation according to tonnage. File 182-88.

By Supervisor Nelder, that City Attorney prepare appropriate legislation concerning increasing docking fees for ships coming into our Port. File 182-88.

By Supervisor Nelder, that Budget Analyst inform us what increase would be generated by increasing parking meter charges from fifty cents to seventy-five cents to one dollar for all hourly charges. File 124-88-2.

By Supervisor Nelder, that City Attorney prepare appropriate legislation which would increase parking meter charges from fifty cents to seventy-five cents to one dollar for all hourly charges, to generate funds for police traffic control or related matters. File 124-88-2.

By Supervisor Nelder, that Budget Analyst advise what funds would be raised by imposing surcharge of twenty-five cents, fifty cents, seventy-five cents or one dollar on all airlines or airline tickets purchased in San Francisco or all passengers entering San Francisco Airport. File 27-88-1.

By Supervisor Nelder, that City Attorney advise whether imposing surcharge of twenty-five cents, fifty cents, seventy-five cents or one dollar on all airlines or airline tickets purchased in San Francisco or all passengers entering San Francisco Airport is legal and if so, prepare appropriate legislation to institute such surcharge with funds generated for Senior Escort Services. File 27-88-1.

By Supervisor Nelder, that City Attorney prepare appropriate legislation which would allow diagonal or parallel parking in the middle of streets wide enough to accommodate it or on which neighboring properties of 90 percent or more desire to approve it. File 19-88-2.

By Supervisor Nelder, that City Attorney prepare appropriate legislation creating Taiwan-Japan-All Asian San Francisco Regional Trade Promotion Committee. File 184-88.

By Supervisor Nelder, that City Attorney prepare appropriate legislation imposing surcharge of twenty-five cents, fifty cents, seventy-five cents or one dollar on performance and sporting events. File 183-88.

By Supervisor Nelder, that letter be sent to Chief of Police inquiring whether the Department has plan for replacement of the Documents Examiner who is due to retire; whether funds have been appropriated for acquisition of analysis equipment, and if so, how; whether it would hamper police investigations or activities if analysis now done by the Documents Examiner had to be subject to an 11 month waiting period; whether the needs of the various bureaus, details or cases have been evaluated for the effect of the possible change in system which might result from the potential retirement.

By Supervisor Nelder, that Budget Analyst obtain the following information concerning fees charged in cities comparable to San Francisco for attractions comparable to Academy of Sciences for adults aged 18-65 and whether such fees, if charged in San Francisco, would cover the revenues requested. The Board would like to receive the following information: percentage of deficit each category provides; how many children under 18 pay; how many children under 11 pay; how many people over 18-75 pay; how many people over 65 go to the Academy of Sciences in a year (or other measurable period); where are signs posted saying who is free and what do they say; how many people go to the Academy of Sciences from San Francisco, how many from out of the City, what percentage of income from fees is from San Francisco residents; how much income is obtained from out of City school groups; if we clearly stated all youngsters under 18 with SF Unified School District identification are free; all residents of CC San Francisco over 64 are free; all non-profit special fees only go to San Francisco non-profit; all non-profits out of town shall pay negotiated fee; all adults with children 12 and under are free; all persons who are members of California Academy of Sciences should pay \$? and all persons not in exempt categories (e.g. out of town) shall pay \$? in order to make up deficit sought.

By Supervisor Silver, that City Attorney prepare appropriate legislation which would permit awnings on commercial uses in residential neighborhoods. File 115-88-2.

By Supervisor Walker, that City Attorney prepare appropriate legislation in conjunction with previously requested Neighborhood Planning Council legislation, that would encompass various recommendations from San Francisco Planning and Urban Research Association and include a step requiring that if any permit/use appeal is filed with the Board of Supervisors there occur prior to Board hearing, a mediation process to be facilitated by the Chair of Land Use or a member of the Land Use Committee and/or the President of the Board of Supervisors.

By Supervisor Gonzalez, that letter be sent to General Manager, Municipal Railway inquiring whether plans to install a transit shelter on the corner of 30th and Dolores Street can be reconsidered and abandoned.

By Supervisor Hongisto, that application of Patricia Kennedy to the Open Space Advisory Committee be referred to Rules Committee. File 92-87-22.

By Supervisor Hongisto, that letters be sent to Director of Planning and Director of Public Works concerning request for discretionary review of demolition permit for 456 Missouri Street filed September 25, 1987, in which demolition permit was approved October 26, 1987 before discretionary review had been scheduled or held. The Board inquires what, if any, recourse appellants have in getting this approved demolition permit revoked and how a permit could be approved if a discretionary review for that demolition had been filed prior to approval.

By Supervisor Maher, that City Attorney draft appropriate legislation to allow exemption to height limits, pursuant to guidelines established under procedures already provided for by rear yard requirements.

By Supervisor Silver, that letters be sent to Chief of Police and Director of Public Works concerning closure of San Bruno Avenue for United Parcel Service during the Christmas season last year and requesting a report on what impact this closure had in alleviating traffic congestion in this neighborhood.

By Supervisor Walker, that memorandum dated March 17, 1988 concerning wage freeze, layoffs and other measures to address the shortfall between revenues and expenditures be transmitted to City Attorney, Budget Analyst, Controller, Purchaser, Director of Real Estate, General Manager , Personnel; Chief of Police, Chief Administrative Officer, Tax Collector for review and comment.

By Supervisor Walker, that letters be sent to Mayor and Chief of Police stating that while isolated instances of poor behavior on the part of the Police and demonstrators did exist, the Police are to be commended for the remarkable restraint shown during the march and demonstration on March 19, 1988.

By Supervisors Walker and Ward, that letter be sent to Civil Service Commission requesting investigation into feasibility of reclassification of para-professionals at the school district.

By Supervisors Ward and Walker, that letter be sent to Director of Public Works requesting review and recommendations for reducing the speed of vehicles exiting the freeway at the Washington Street ramp.

By Supervisors Ward and Walker, that City Attorney prepare appropriate legislation transferring jursidiction of classified staff employed by the San Francisco Unified School District and San Francisco Community College District to those respective districts.

By Supervisor Gonzalez, that letter be sent to General Manager, Recreation and Park Department, inquiring whether brush thinning can be provided in the area between Buena Vista Avenue East and the summit of the park roughly across from Buena Vista Manor House.

By Supervisor Hongisto, that Budget Analyst prepare analysis of the current lease entered into between the City and County and Mission Valley Rock for quarrying of property under the jurisdiction of Public Utilities Commission in Sunol.

By Supervisor Kennedy, that letter be sent to the Controller requesting an investigation and report to the Board concerning procedures and assumptions utilized by the Controller to arrive at the revenue projection for the current fiscal year and to report on any and all changes being injected into the revenue projection process for the coming fiscal year so as to avoid a recurrence of over-projected revenues.

By Supervisor Walker, that letters be sent to City Attorney, Presiding Judges of Municipal and Superior Courts, Mayor and Budget Analyst transmitting copy of correspondence from Napa County Board of Supervisors concerning Senate Bill 709, Trial Court Funding, and requesting comment on how San Francisco should proceed in terms of taking a position on this bill.

By Supervisor Walker, that City Attorney prepare appropriate legislation supporting S. 332, providing an investigation of displaced Salvadorans and making provisions for temporary stay of detention and deportation of certain Salvadorans.

By Supervisor Maher, that City Attorney prepare appropriate legislation eliminating the provision in the Salary Standardization Ordinance which provides for interest to be paid on pay due to employees and advise the Board on how to implement this measure expeditiously. File 106-87-5.

By Supervisor Nelder, that Budget Analyst review and evaluate the possible savings by repealing Administrative Code 10C-8.1 relating to tow charges; that Muni use a method of valuating auto damage which would not allow payment over the auto's worth; that the public be informed how to avoid tows and that tow procedures be reviewed to minimize the number of bad tows, for which the City paid \$45,000 in the period December 87 - February 88; that departments not be allowed to lease vehicles; that city vehicles be checked in and out of pools; that gasoline be siphoned out of and sirens removed from vehicles sold to the public; that Muni be more aggressive in collecting its own claims against other motorists; that, under terms of Prop. A (1986), Muni claims be turned over to the City Attorney, if not aggressively pursued; that containers marked "dentures" be provided to patients in City hospitals, since partial plates are often thrown away, which expense the City must pay. File 100-88-4.

Requests Granted

By Supervisor Hongisto, that letter of inquiry be sent to General Manager, Recreation and Park Department concerning circumstances surrounding the lake dredging operations that took place at Golden Gate Park on April 14, 1988. Did anyone from Recreation and Park Department supervised the dredging and how many fish were lost due to the dredging?

By Supervisor Kennedy, that letter of inquiry be sent to Executive Director, Health Service System to determine whether in-home care services is provided in the current plan for AIDS patients who are City employees. If not, the reasons for lack of such provision.

By Supervisor Kennedy, that letter be sent to General Manager, Recreation and Park Department, inquiring whether open space funds will be used to complete the construction of the gazebo at the Sunnyside Park.

By Supervisor Kennedy, that Budget Analyst conduct management audit of the Department of Social Services.

By Supervisor Kennedy, that letters be sent to Budget Analyst and Controller requesting evaluation of the effect on San Francisco of the recent State budget shortfall.

By Supervisors Molinari and Silver, that letter of inquiry be sent to Tax Collector to ascertain why residents living on streets with metered parking within a residential permit parking area are excluded from receiving parking permits.

By Supervisor Nelder, that letter be sent to Director of Public Works inquiring whether it would be possible to produce a city-wide parking map showing parking restrictions on each street in order to facilitate creation of new parking regulations and development of comprehensive parking plan.

By Supervisor Nelder, that City Attorney prepare appropriate legislation which would amend Administrative Code Section 6.47 to require that any bid from a contractor or sub-contractor who lacks the necessary equipment, financial qualifications or experience to perform the contract shall be rejected and to provide that any City contract of a specific amount shall be let only to City businesses unless there is no qualified City enterprise. File 97-88-29.

By Supervisor Gonzalez, that letter be sent to City Attorney requesting further opinion on whether San Francisco should file appropriate action against Federal Aviation Administration concerning re-routing of aircraft traffic over San Bruno mountain and the San Francisco neighborhoods. The interests of the residents of San Francisco are separate and distinct from the interests of San Francisco International Airport. The Board request that consideration be given to having an outside counsel familiar with Federal Aviation Act and related matters review your opinion.

By Supervisor Walker, that City Attorney prepare opinion concerning options open to member, Board of Supervisors, who for personal or moral or ethical reason believes she or he cannot or should not be required to vote aye or nay on any particular issue with consideration given to the following: are conflicts between Charter and Board rules on this; what is practice in other legislative bodies (state, federal, city councils, boards of supervisors, etc.), can a member of the Board of Supervisors abstain from voting or be "present but not voting"? If not, why not? What would need to be done to make such action possible. Is there a conflict between a member's duty, obligation and responsibility and her/his constitutionally guaranteed right of freedom of speech (and freedom to be silent)? File 56-88-3.

By Supervisor Maher, that letter of inquiry be sent to Director of Public Works and Director of Health regarding implementation of Article 20, Public Works Code, Analyzing the Soil for Hazardous Waste to ascertain who in each department should be contacted by members of the public, what programs have been established to facilitate builders through the process, has the State Environmental Protection Agency been cooperative in regard to the program, have specific problems arisen that should be brought up for discussion and possible amendment of the ordinance.

By Supervisor Molinari, that letter be sent to Director of Public Works requesting feasibility study be conducted to install a Stop sign at the corner of 47th Avenue and Quintara Street (with Stop signs facing north/south on 47th Avenue.

By Supervisor Nelder, that City Attorney prepare appropriate legislation which would establish City and County of San Francisco Automobile Fleet Policy to be as follows: 1) There shall be no automobiles in the City's automobile fleet except those established to be necessary to efficient performance of a specific task or position; 2) Department head or other administrative employee shall be provided with automobiles only where it is established that an automobile is necessary to efficient management of the department; 3) service and maintenance, including gasoline and oil, shall not be provided by the City to or for any car or motor vehicle not owned by the City; 4) City-owned automobiles shall not be taken home by employees except where it is determined by the head of the department to which they are assigned to be in the best interests of the City because of a lack of available parking space or because the community is served by ready access to certain employee services and no City-owned automobile shall be taken to the home of any City employee who lives outside the City; 5) no City-owned automobile shall go outside the City limits except on specific City business; 6) automobile pool programs shall be instituted when possible in order to reduce the number of vehicles operated and serviced by the City; 7) There shall be an ongoing evaluation by each department head whether it would be less expensive to reimburse an employee for the cost of using a personal automobile than to maintain a City-owned automobile; 8) to include any situation which lower city costs noted in Budget Analyst's report which have not been addressed.

By Supervisor Walker, that Budget Analyst provide cost analysis of National Council on Crime and Delinquency recommendations for alternatives to incarceration for the Board of Supervisors to consider with the recommendations of the Jail Policy and Planning Advisory Committee.
